ABOUT THE INSTITUTION

MIMT was established in the year 2001 and is known for its academic excellence, accomplished faculty and leading edge technology development for the future. It has a city centered campus in an area of 10 acre. The institute is preparing professionals to learn the process of combating every known or unknown challenge of their career. MIMT offers Under Graduate & Post Graduate Degree Programs under Department of Computer Applications, Department of Management Studies & Department of Basic & Applied Bioscience along with Ph.D. (RTU Research Centre in Computer Applications).

ABOUT THE DEPARTMENT

The Department of Computer Applications offers Graduate & Master degrees as BCA, MCA & M.Sc.IT.

Besides teaching, the department is actively involved with the professional society activities under CSI students chapter. It took an initiative in year 2011 to start Computer Society of India Student Branch, with a good standing in the state of Rajasthan in India. Under this banner the department is conducting various guest lectures, workshops and symposia.

CSI RAJASTHAN STATE STUDENT CONVENTION

CSI Rajasthan State Student Convention is a state level technical event organized by the Department of Computer Applications, MIMT, Kota, Rajasthan. Objective of this Student Convention is to facilitate interaction and collaboration of students with eminent academicians, researchers and practitioners, enrich participants through technical paper presentations, tutorials, workshops and exhibitions. The participants can illustrate their talents by involving with various events in the wide arena. In this CSI R-SSC, various events like Bug war, Quizter, Web Spin, HR Forum & Paper Presentation will be organized on 8th Oct, 2016.

COMPUTER SOCIETY OF INDIA

The Computer Society of India (CSI) was started in the year 1965 with a handful of IT enthusiasts and organizes various activities. The objective is to share their knowledge and exchange ideas in a fast emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India. The purposes of the Society are scientific and educational directed towards the advancement of the theory and practice of computer science and IT. The organization consists of professionals with varied backgrounds including Software developers, Scientists, Academicians, Project Managers, CIO's, CTO's & IT vendors. It has spread its branches all over the country. Currently having more than 500 student branches and rooted firmly at 73 different locations, CSI has plans of opening many more chapters & activity centers in smaller towns and cities of the country.

GENERAL RULES
